Notes:					
	The Renata Galasso, Glossy Greats baseball cards were first issued in 1977 as a 45 card set. Produced by TCMA for Renata Galasso, the cards were used as a promotion. Customers who bought a complete set of baseball cards received the 45 card set for free. Through 1984 Renata Galasso would issue 5 more series of cards, to bring the total number of the set to 270. Renata Galasso, "the Largest card dealer in the world" at the time, issued these great Black & white cards in the style of the 1960 Leaf set.
